2023-24
IMPACT REPORT

LETTER FROM OUR CEO

Dear Friends,

As I reflect on this past year, I am filled with immense pride and gratitude for our community's unwavering commitment to one another. Together, we have faced challenges, embraced opportunities, and worked tirelessly to uplift families, empower our youth, and strengthen the foundation of our community.

Thanks to your support, we've made incredible strides in ensuring that every family has access to the resources they need to thrive. From expanding mental health services and providing crucial support to working families, to investing in the success of our children, we are seeing the tangible, lasting impact of our collective efforts.

What inspires me most is the spirit of collaboration that fuels everything we do. Whether it's a single mom finding affordable, reliable care for her children, or a child discovering the joy of learning through one of our programs, these stories of resilience remind us that when we stand together, we can create lasting change.

This report highlights the remarkable achievements we've accomplished together over the past year. It is a testament to the power of community, compassion, and a shared commitment to building a brighter future for all.

Thank you for standing with us as we continue this important work. Together, we are creating a stronger, more vibrant community where everyone has the opportunity to thrive.

With gratitude,

Kimberly Hall

STABILIZING LIVES, STRENGTHENING FAMILIES

Through partnerships offering food, shelter, utilities, and affordable kidsLINK Out-of-School programs, we help families regain stability. Disaster relief allows parents and our community to rebuild their lives and provide a secure, nurturing environment for the next generation.

EMPOWERING YOUTH & WORKING FAMILIES

In our community, many working families face the challenge of balancing work and family life, especially when affordable afterschool care is hard to find. For parents like Sarah, a single mother of two, access to reliable childcare was essential to keeping her job while ensuring her kids were in a safe, nurturing environment.

“

“kidsLINK has been a lifeline for our family. As a single mom, it was difficult to find affordable, reliable care for my kids that worked for all of our schedules. Thanks to GGUW’s tuition assistance, I know my kids are safe and thriving, making new friends, and learning. It allows me to work without constant worry. I don’t know what I would have done without this program.”

– Sarah, kidsLINK Parent

A POWERFUL INVESTMENT

Whether you invest your time, skills, services, goods, or financial support, you have the power to bring us one step closer to a thriving community. When our community collaborates—combining resources, funds, and volunteer efforts—the collective impact is even greater.

OUR COMMUNITY IN ACTION

Greater Gallatin United Way's mission is to mobilize the caring power of our communities, and last year, we saw that power in action. Hundreds of volunteers came together, offering their time and talents to strengthen our region. From the Day of Action to ongoing service projects and our VolunteerMT portal, these collective efforts have been crucial in overcoming challenges and making lasting, transformative change for those we serve.

“Day of Action brought new eyes to our organization and allowed us to tackle important projects that support our primary mission. It was a truly invaluable experience.”
