DAY OF  
**ACTION**  
GREATER GALLATIN UNITED WAY

Dear Nonprofits and Passionate Partners,

We're thrilled to welcome you to the Second Annual Day of Action on June 27th, 2025!

Last year, we joined forces across Gallatin, Madison, Meagher, and Park counties—with 50+ volunteers, 25 nonprofits, and 8 community projects, we contributed 145 hours of service in just one day. It was inspiring, energizing, and a powerful reminder of what we can do when we show up together.

This year, we're ready to build on that momentum—and we want you with us.

The Day of Action is your chance to highlight your mission, rally new volunteers, and get hands-on support for a project that matters. Whether you're a nonprofit with a project idea or a business or individual looking to get involved, there's a place for you.

Register your project, invite your teams, and let's make an even bigger impact.

We're here to help—from spreading the word to recruiting volunteers and ensuring your project runs smoothly. Together, we're building a stronger, more connected community—one act of service at a time.

Thanks for all you do. Let's make June 27th count.

With gratitude and anticipation,

The Greater Gallatin United Way Team

ONE IMPACTFUL DAY**
