

WE ARE BUTTE 4-C'S

SERVICES PROVIDED FOR EARLY CHILDHOOD PROFESSIONALS

• PROFESSIONAL DEVELOPMENT (TRAINING)

We offer a variety of classes via in person and/or zoom for child care providers each month.

These trainings can be tailored to meet the needs of you and your staff.

These include:

- Professionalism
- Active Supervision
- Staff Expectations
- Infant Safety
- 60 hour Preschool & Infant Toddler Courses
- Anything you are needing

• CDA TRAINING AND OBSERVATIONS

We offer guidance and support around child care providers obtaining their CDA credentials and perform CDA Observations.

• FINGERPRINTING

We offer fingerprinting services for childcare providers and other community individuals. This includes live scan or ink prints.

• FIRST AID/CPR

Pediatric, child and adult First Aid/CPR offered the third Monday of each month.

• CHILD AND ADULT CARE FOOD PROGRAM (CACFP)

The primary goal is to improve the nutritional intake of children in childcare facilities and give nutrition training to childcare providers.

Only Family and Group Providers
