BELGRADE SUMMER CAMP AT SADDLE PEAK ELEMENTARY

## WEEK 1 | JUNE 15-19

### SUN FUN

Sun's Out, Fun's On

Soak up the sunshine with outdoor games, water play, creative crafts, and classic summer fun. This week is all about staying active, making memories, and enjoying everything summer has to offer.

## WEEK 2 | JUNE 22-26

### TO INFINITY & BEYOND

3, 2, 1 ...

Blast off into space with hands-on STEM challenges, rockets, planets, and cosmic creativity. Campers will explore science, problem-solving, and imagination that's truly out of this world.

## WEEK 3 | JUNE 29 - JULY 2

### RED, WHITE & BOOM

Boom Goes the Fun

This week is all about adventure, with thrilling outdoor activities, a field trip hiking, and treasure hunts that will challenge your kids' creativity and problem-solving skills.

## WEEK 4 | JULY 6-10

### BRICK BUILDERS

Build. Stack. Repeat.

Build big and dream bigger with hands-on construction challenges and creative design projects. Kids will engineer, problem-solve, and bring their ideas to life brick by brick.

## WEEK 5 | JULY 13-17

### SUPER HEROES

Capes, Courage & Community

Unleash your inner hero through teamwork, obstacle courses, and creative challenges. Kids will also meet real-life heroes and learn how they help keep our community safe.

## WEEK 6 | JULY 20-24

### PIRATES & MERMAIDS

Seas the adventure!

Ahoy! Dive into a week of treasure hunts, ocean-inspired crafts, and imaginative adventures. Campers will explore the magic of the sea while building teamwork and creativity.

## WEEK 7 | JULY 27-31

### MUSIC MAKERS

Turn up the jam!

Create, explore, and make some noise with rhythm games and hands-on music projects. Kids will experiment with sound, build simple instruments, and discover the joy of making music together.

## WEEK 8 | AUGUST 3-7

### DINOSAURS

Roar back in time.

Travel back in time with dino digs, fossils, and prehistoric fun. Campers will explore science, creativity, and imagination while learning about the world of dinosaurs.

## WEEK 9 | AUGUST 10-14

### LIL' SCIENTISTS

Curiosity at work.

Put on your lab coat and explore with hands-on experiments and discovery-based learning. Kids will ask questions, test ideas, and explore science through fun, age-appropriate activities.
